

Extra  
Edition

With it like this I guess going to the amusement park won't be possible.

So much snow.

.....

Gloom

And I was really looking forward to our date too.

It's fine.

We can always play in the house.

With the rule that the loser has to do whatever the winner says!

Hide and seek. For instance!

Ding  
Dong

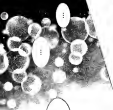

infected with  
fear.

In the past you used to  
be much more of a well  
behaved child didn't you?

Unreason-  
ableness...

..Hindoo

Found  
you.

I know

Yeah

It's okay

.....

What happened?

Did you have a scary dream?

Yeah

My other relatives were about to come and take me away

Is that?

Even if it's  
just for a  
little bit,  
I want to  
be spoiled.

I definitely don't want to let go of you.

To think I was able to meet such a person.

Thank you for reading Koi x Kagi until now!

Koi x Kagi was originally a three-part series.  
To everyone that cheered me on at Ciao Comics,  
thank you so much!  
Somehow it seems I was able to write up to  
the stage where they are in high school.  
Truly, thank you very much!  
This wraps up Himeko's and Sakari's story,  
they might show up in my other  
works as passer-bys.  
Please look forward to my next  
serialized work.  
Thanking you in advance.
